objective

To add my unique skills and personality to an already amazing team of awesome people, and to create work we can all be super psyched about.

experience

Animation

- Supervising a team of animators to ensure quality performances and polish
- Leading an animation team to help communicate director's vision
- Coordinating between producer, director, editor, and technical director to ensure all necessary assets are available and in place for animation team
- Creating animated character performances for national and international campaigns in a variety of styles
- Working with riggers and TD to develop animation controls unique to specific characters

Additional Work Experience

- Writing online animation column and animator interviews for 11SecondClub.com
- Editing and Assistant Editing on national commercials
- Editing animatics for director and client approval
- Assisting in archival process and archive process development for studio's digital media

Software

- Animation: Maya / 3D Studio Max
- Graphics: Photoshop / InDesign / Illustrator
- Video: Final Cut Pro / Adobe After Effects / Quicktime Pro
